Sewa Community College provides comprehensive and technology enabled online and distance mode of education, in the age of technology and with the motto of flexibility in learning and ease of access we always focus on technology enabled education and we get associated with top universities who offers educational degree in online mode of learning. At Sewa Community College we ensure you for proper career guidance based on your past education and area of interest with our dedicated team managers and career guide.

Who we are?

The institute is run and managed by expert team who have more than 10 years of experience in vocational and online education and this council was established with the goal to provide high quality, cost effective educational services to the needy and poor students and to provide proper career guidance for achieving higher position in career and in the industry. In association with many top companies and schools we help our students to secure higher and respected position in organization working.

Today we have a team of over 30+ highly qualified professionals operating from our facilities in india. We have sustained a growth rate of 100% annually fuelled by the high delivery standards we maintain and pride in. Within the span of time Sewa education is now branded and most reputed council to provide vocational and online courses offered by many top universities in india and abroad.

Our Values

We believe in transparency hence we have added all data at student portal and on the go communication with team.

We value team accomplishments and seek opportunities to join with our colleagues to advance the success of our clients.

We value, above all, Our Integrity in everything we do.

We value the unique combinaton of qualites and contributors that each individual brings to the workplace.

We value quality in everything do in quality we deliver in quality the perceived value of our product.

UGC Approved University

All The Degree Programs Offered At Sewa Community College Are Directly From UGC Approved Universities.

Digital Learning

Digital Learning Provides Enriched, Exciting and Significantly Enhanced Learning Environment Where Students Can Connect, Communicate and Collaborate For A Holistic Development.

Mobile App Learning:

With Innovative Ideas And Use Of Technology We Bring Students More Closely With University And Make Them Learn On The Go.

E-Library:

E-library Of Sewa Community College Has A Remarkable Collection Of Video Lectures Along With E-books And Other Electronic Resources.

Student Portal

Student Portal Is An Interactive Learning Platform and Getaway To Virtual Classroom, With Ease Of Information Sharing and Transparency Between Students and Sewa Community College Student Can able To View All Information's Like Fees Details, Payment Details, University Notifications, Online Chat System With Dedicated Manager.

Sewa Community College Is One Of The Best College in India That Offers Many Courses and Have Recognitions From Different Authorities.

Student Profit Profile

- Online Admission Process
- Online / Self Study Mode Courses
- Online Payment
- Online Fee Receipt
- Student Login Panel
- Two Admission Batches in A Year June & December
- Enrollment Verification
- Digital Document Management
- Earn While You Learn Program
- Dedicated Career Advisor
- Skill Building Program
- Online / Offline Examination Mode
- Low Fees Structure
- Internship Support
- Overseas Placement

CERTIFICATE COURSES

Certificate Courses Is 6 Months Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- Certificate in Crane Operation & Maintenance
- Certificate in Fork Lift Operation & Maintenance
- Certificate in Hydraulic Excavator Operation & Maintenance.
- Certificate in Operation & Maintenance Of Hydraulic Machines.
- Certificate in Telephone Technician
- Certificate in Gas Stove Technician
- Certificate in Cable Tv Operator
- Certificate in Ship Design
- Certificate in Solar System & Invertor Installation & Servicing.

Eligibility : 10th In Any Relevant Field

Duration : 6 Months

Mode of Study : Assisted Self Study Or Blended Learning

DIPLOMA COURSES

Diploma Courses Is 6 Months Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- Diploma in Electrician
- Diploma in Mobile Phone Technician
- Diploma in Radio & Tv Assembler
- Diploma in Electronics Technician
- Diploma in Electronics Mechanic
- Diploma in Information & Communication Technology System
- Diploma in Mechanical Engineering
- Diploma in Auto Mechanic
- Diploma in Computer Science
- Diploma in Computer Information Technology
- Diploma in Building Construction Supervisor

Eligibility : 10th In Any Field

Duration : 6 Months

Mode of Study : Assisted Self Study Or Blended Learning

ADVANCE DIPLOMA

Advance Diploma Courses Is 6 Months Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- Advanced Diploma In Automobile Engineering Technology
- Advanced Diploma In Instrument Technology
- Advanced Diploma In Tool & Die Making
- Advanced Diploma In Petrol Engine Technology
- Advanced Diploma In Diesel Engine Technology

Eligibility : 10th In Any Relevant Field

Duration : 6 Months

Mode Of Study : Assisted Self Study Or Blended Learning

DIPLOMA ENGINEERING

Diploma Engineering Courses Is 3 Years Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- Diploma Engineering in Aeronautical Engineering
- Diploma Engineering in Architecture Engineering
- Diploma Engineering in Automobile Engineering
- Diploma Engineering in Bioinformation
- Diploma Engineering in Chemical Engineering
- Diploma Engineering in Civil and Architecture
- Diploma Engineering in Civil Engineering
- Diploma Engineering in Computer Science and Engineering
- Diploma Engineering in Electrical and Electronics Engineering
- Diploma Engineering in Electrical Engineering
- Diploma Engineering in Electronics and Communication Engineering
- Diploma Engineering in Electronics and Telecommunication
- Diploma Engineering in Environmental Engineering
- Diploma Engineering in Food Technology
- Diploma Engineering in Information Technology
- Diploma Engineering in Instrumentation and Control Engineering
- Diploma Engineering in Mechanical Engineering
- Diploma Engineering in Mining Engineering
- Diploma Engineering in Printing Engineering

Eligibility : 10th in any Relevant field

Duration : 3 Years (6 Semester)

Mode Of Study : Assisted Self Study Or Blended Learning

BACHELOR OF TECHNOLOGY (B.TECH)

Bachelor Of Technology Courses Is 4 Years Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- B.Tech In Aeronautical Engineering
- B.Tech In Architectures Engineering
- B.Tech In Automobile Engineering
- B.Tech In Bioinformation
- B.Tech In Biomedical Engineering
- B.Tech In Biotechnology
- B.Tech In Carpet And Textile Technology
- B.Tech In Chemical Engineering
- B.Tech In Civil And Architecture
- B.Tech In Civil Engineering
- Computer Science And Engineering
- B.Tech In Electrical And Electronics Engineering
- B.Tech In Electrical Engineering
- B.Tech In Electronics And Communication Engineering
- B.Tech In In Electronics And Instrumentation Engineering And Control Engineering
- B.Tech In In Electronics And Telecommunication
- B.Tech In In Environmental Engineering
- B.Tech In In Food Technology
- B.Tech In In Information Technology
- B.Tech In In Instrumentation And Control Engineering
- B.Tech In In Manufacturing Technology
- B.Tech In In Mechanical Engineering
- B.Tech In In Microbiology
- B.Tech In In Plasting Engineering
- B.Tech In In Printing Technology
- B.Tech In In Production Engineering And Industrial Production
- B.Tech In In Textile Chemistry
- B.Tech In In Textile Technology

Eligibility : 10+2/ Diploma In Relevant Field

Duration : 4 Years

Mode Of Study : Assisted Self Study Or Blended Learning

INTEGRATED B.TECH-M.TECH

Integrated B.Tech-M.Tech Courses Is 5 Years Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- Integrated B.Tech-M.Tech in Agriculture
- Integrated B.Tech-M.Tech in Automobile Engineering
- Integrated B.Tech-M.Tech in Bio-informatics
- Integrated B.Tech-M.Tech in Chem-informatics
- Integrated B.Tech-M.Tech in Civil And Architecture
- Integrated B.Tech-M.Tech In Civil Engineering
- Integrated B.Tech-M.Tech in Computer Science
- Integrated B.Tech-M.Tech in Electrical Engineering
- Integrated B.Tech-M.Tech in Electronics & Communication Engineering
- Integrated B.Tech-M.Tech in Electronics And Telecommunication
- Integrated B.Tech-M.Tech in Environmental Engineering
- Integrated B.Tech-M.Tech in Environmental Science
- Integrated B.Tech-M.Tech in Food Technology
- Integrated B.Tech-M.Tech in Information Technology
- Integrated B.Tech-M.Tech in Mechanical Engineering
- Integrated B.Tech-M.Tech in Microbiology

Eligibility : 10th In Any Relevant Field

Duration : 5 Years

Mode Of Study : Assisted Self Study Or Blended Learning

MASTER OF TECHNOLOGY (M.TECH)

Master Of Technology Courses Is 2 Years Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- M.Tech In Automation And Robotics Engineering
- M.Tech In Automobile Engineering
- M.Tech In Bioinformatics
- M.Tech In Biotechnology
- M.Tech In Chemical Engineering
- M.Tech In Civil Environmental Engineering
- M.Tech In Civil Structural Design Engineering
- M.Tech In Civil Transportation Engineering
- M.Tech In Civil And Architecture
- M.Tech In Civil Construction Technology & Management
- M.Tech In Civil Highway Technology & Transportation Engineering
- M.Tech In Computer Aided Design And Manufacturing
- M.Tech In Computer Science & Engineering Software Engineering
- M.Tech In Computer Science And Engineering
- M.Tech In Electrical And Electronics Engineering
- M.Tech In Electrical Engineering
- M.Tech In Electrical Engineering Power Electronics & Drivers
- M.Tech In Electrical Engineering Power System
- M.Tech In Electronics And Communication Engineering
- M.Tech In Electronics And Telecommunication

Eligibility : B.Tech In Relevant Field

Duration : 2 Years

Mode Of Study : Assisted Self Study Or Blended Learning

MASTER OF TECHNOLOGY (M.TECH)

Master Of Technology Courses Is 2 Years Engineering Program. College Designed This Course To Cater Current Industry Requirements And This Enable Students With Practical Handhold Knowledge And Helps Student To Gain In-depth Knowledge Of Courses And Subject Studied.

College Offers Different Streams And Student As Per Area Of Interest They Can Selected Specialization Of Course.

- M.Tech In Environmental Engineering
- M.Tech In Food Technology
- M.Tech In Geo-technical Engineering
- M.Tech In GIS And Remote Sensing
- M.Tech In Information Technology
- M.Tech In Instrumentation Engineering
- M.Tech In Mechanical Cad/cam
- M.Tech In Mechanical Energy System
- M.Tech In Mechanical Industrial Engineering
- M.Tech In Mechanical Production Engineering
- M.Tech In Mechanical Engineering
- M.Tech In Mechanical Chemical Engineering
- M.Tech In Mechanical Engineering Design
- M.Tech In Mechanical Thermal Power Engineering
- M.Tech In Microbiology
- M.Tech In Textile Chemistry
- M.Tech In Textile Technology
- M.Tech In Thermal Engineering

Eligibility : B.Tech In Relevant Field

Duration : 2 Years

Mode Of Study : Assisted Self Study Or Blended Learning

REGISTRATION PROCESS ONLINE ADMISSION

Candidate may apply for admission online, gain information regarding admission procedure, call our counsellors or chat with us.

The prospect students are required to submit admission form dully filled up and signed by them along with the mandatory documents and the applicable fees required for the admission process. The mandatory documents and online fees receipt can be submitted online by email to us at admission @sewa.college within 24 hours of student registration process.

Mandatory documents for admission

- Duly filled admission form or online application form (name should exactly as it is mentioned on 10th standard mark sheet)
- Student signature on admission form has to match with id card submitted
- Self-attend photocopy of degree certificate (for B.ed and all post graduate level program)
- Self-attend photocopy of all year/all semester mark sheets (for B.ed and all post graduate level program)
- Self-attend photocopy of 10th std., 12th std, diploma engineering, ITI mark sheet & certificate (whichever is applicable in all programs)
- Passport size colour photo – 4 copies/ or soft copy.
- Photocopy of govt. Photo id proof (preferably adhaar card or pan card, voter's id, dl or passport)
- In case of name change, need name change document.
- Fees as per our fees policy.
- In case of installments, student must have to submit installment payment request form.
- Letter of undertaking, if required (as per case requirement and norms of university)
- For further details, please visit the website www.sewa.college

Important note

- The eligibility criteria for every program are clearly mentioned on our website under the programs.
- The student should ensure that they satisfy the eligibility norms for the program they wish to enrol.
- The candidate has to ensure their education / qualifying degree has been issued from a recognized university/board only.
- The name of student mentioned in application form must be same as mentioned on 10 standard mark sheet and in case of name change, a name change document / affidavit to be sublimed .
- If admission cancelled due to wrong information or incomplete information then there is no refund.

APPLY ONLINE ADMISSION PROCESS

Follow these step-by-step explanations for the admission procedure

We have hassle free online admission process and any student who wish to join or wanted to enrol in any course, they can visit our official website and click on 'apply now' button and it will redirect to online admission portal where system will ask you to enter name, mobile and email and system will validate your email and mobile then system will allow you to go to admission form where student need to fill all required filed

If you have any query then you can immediately connect with our experienced counsellor and they will guide you through admission process. Once you are satisfied & confident, you can then proceed to apply for the course of your choice. After filling the admission form with the required documents, you can proceed to pay the fees. You can choose the multiple fee-payment options available. On initial verification you will be provided student portal login where you can review all your information and access digital e-learning platform.

Free Counselling

Get proper career guidance with our experienced career counsellors for your best career growth. Talk now over phone (+91 8380 97 8380), chat with them or visit website.

Application

Student can directly apply

Fees Payment

Pay fees in instalments or in a lump sum for exciting offers. Convenient payment options like Debit / Credit Card, Bank Transfer, UPI, etc.

Enrolment

Once we receive your online application and required documents, we will verify thoroughly and sent for further enrolment process to respective universities.

"Student should check the admission batch and last date for admission at respective university website. In case of any pending documents or balance fees, admission will be processed with next batch only"

STUDENT SUPPORT SERVICE

Course Conduction

The Student Would Be Provided Login Credentials Of The Learning Management System (LMS) For Accessing The Courses Online

The LMS / Student Portal Has Semester Or Year Wise Subject Details And This Will Include

- Access To Chapter Or Subject Wise E-book
- Access To Chapter Of Subject Wise Video Lecture*
- Access To Chapter Of Subject Wise Study Guide**
- Access To Chapter Of Subject Wise Practice Test**

Transparent System

We Follow 100% Transparency With Our Students, Hence We Made Everything Online.

- Student Dashboard At Student Portal
- Student Detail View
- Pay Fees Online
- Access Study Materials
- View Complete Fees Information
- Download Payment Receipt
- Online Exam Form Filling Option
- Online Re-registration
- Online Request And Progress Check
- Instant Alert And Notification At Mobile And Email
- The Students Have Been Provided With Assignment Questions At The Student Login Portal.
- Students Should Submit/upload Assignment At The Student Portal Before One Month Of The Exam Starts.
- The Student Should Score 40% In Every Assignment To Pass In Respective Assignment.
- Assignment Marks Are Considered In The Final Mark Sheet Generated By The University And Assignment Would Have 20 Percentage Weight Age For The Same While Exam Would Have 80% Weight Age For Final Score Card.
- If University Ask For Hard Copy Of Assignment Then University Will Provide Assignment Books And Student Need To Submit Assignment Hard Copy As Per Scheduled Date Announced By University.

*For Selective Course / Subject Only

*Planned For Future

ASSIGNMENTS SUBMISSION

Examination

- Examination are tenttately conducted between 15th– 30th may and december. The timetable details would be communicated to students in advance.
- Second attempt examination fees (per subject): Rs 500.
- If any student hall ticket is generated but not attended exam then also they have to pay re-appear. exam fees of Rs 500 per subject for indian student and \$50 for other student.
- Student need “No Dues Certificate” and all fees should be clear before exam form filling and student without full fees payment are not allowed to give their examinations.

Project Guidelines

- For program with project work students are required to submit a soft copy and hard copy.
- The project topic will be course and industry related topic only.
- Project evolution charges are Rs. 1,000/- for indian student and \$100 for other student.

Mark Sheets

- Once student complete all the mandated assignments, examinations and projects the final mark sheets would be declared online and then it will be dispatched.
- The mark sheets would be issued / declared by the university within 3 months from date of exams.

TERMS & CONDITION STUDENT GUIDE

Terms & Condition:

Skill Education And Welfare Association Is A Service Provider Between Student And College And All The Admission Guidelines, Examinations, Assignment, Result Will Be Handled By College And There Is No Any Role Of Skill Education And Welfare Association This Document Designed To Provide The Prospective Students With Information Only. Skill Education And Welfare Association Has No Liability Of Any Kind To Any Person For Providing This Information, Whether Or Not Such Persons Rely On It And Even If They Inform Skill Education And Welfare Association Of Their Reliance On It.

1. Admission Made To Any Course Is Provisional Till The Time, The College / Board Approves It.
2. Fees Once Paid Will Not Be Refunded Under Any Circumstances And It Will Not Adjust With Other Students Or Balanced.
3. Fees Paid In The Form Of Demand Draft Or Cheque Should Be In Favour Of "Sewa Community College" payable At "Mumbai"
4. Fees Can Be Pay Through Online At www.sewa.college Website Only.
5. An Admission Fee Has To Be Cleared Within 40 Days From Date Of Admission Of Concerned Semester / Year, If Fees Is Not Cleared On Or Before Due Date, The Admission Will Be Cancelled Provisionally Without Any Prior Intimation To Student Or Daily Late Fine Of Rs 10 Will Be Charged If Not Paid On Committed Date/time.
6. Candidate Depositing The Fees To The Sewa Community College Bank Account Or By Any Means Should Be Intimated Through Whatsapp / Sms On 8380 97 8380 With An Email At Admission@sewa.college No Payment Accepted At Personal Accounts, If Transferred Council Will Not Liabe For Anything.
